Purpose of Questionnaire

The Illinois Department on Aging and the Office of the State Long-Term Care Ombudsman Program have developed a website for consumers to use when seeking a long-term care facility. The website meets the requirement of the Illinois Act on the Aging 20 ILCS 105/1) (from Ch. 23, par. 6101) (c-5). The intent of the website is to provide consumers with information about facilities in their preferred area regarding medical care, services and treatment, special services and amenities, staffing, facility statistics and demographics, ownership and administration, safety and security, meals, nutrition, rooms, furnishings, and equipment as well as family, volunteer and visitation provisions. The consumer will be able to filter their search based on location, needs, and preferences.

Facilities licensed under the Nursing Home Care Act (210 ILCS 45/2-214), the MC/DD Act (210 ILCS 46/2-214), and the ID/DD Community Care Act (210 ILCS 47/2-214) are all mandated to complete the electronic questionnaire provided by the Office of the State Long-Term Care Ombudsman. The questionnaire must be updated annually or when changes occur within the facility.

Protecting the Rights of Persons Who Live in Long-Term Care Facilities

Mandated by the Federal [Older Americans Act](#) and the [Illinois Act on the Aging](#), the Long-Term Care Ombudsman Program protects and improves the quality of care and quality of life for residents of long-term care facilities in Illinois through individual and systemic advocacy for and on behalf of residents, including representing interests of residents before governmental agencies, reviewing and commenting on existing and proposed laws, seeking out and responding to media requests, the promotion and cultivation of best practices within long-term care services, and through the promotion of family and community involvement in long-term care facilities.

The Program is a resident centered advocacy program. The resident is the program's client, regardless of the source of the complaint or request for service. The Ombudsman will make every reasonable effort to assist, empower, represent, and intervene on behalf of the resident.

Creating a New Illinois.gov Account

- To create an Illinois.gov account, click on the following link:
<https://www2.illinois.gov/sites/doit/support/Pages/DoITIdentityManagement.aspx>
- Click “**Create Illinois.gov Account**”

The screenshot shows the top portion of the DoIT website. On the left is the DoIT logo with the text "Illinois Department of Innovation & Technology". On the right is a search bar. Below the logo is a navigation menu with "Home", "Services", and "Products". A dark blue banner at the bottom of the header contains the text "Home > Support" and "DoIT Identity Management" in white.

Introduction

Welcome to DoIT Identity Management (DIM). DIM is a self-service account management system that allows users to create an Illinois.gov ID and/or reset their Active Directory or Mainframe RACF account password.

Note: This system is intended for personal user accounts only. Technician and Administrative accounts should not be registered.

Identity Management Options

-  **Account Recovery Options**
Used to configure or change your password reset options. You will not be able to take advantage of self service password resets until these options are set.
-  **Reset your Password or Unlock your Account**
Used if you forgot your password, or need to unlock your account, and have already configured your password reset options.
-  **Create Illinois.gov Account**
If you do not already have an Account that is trusted by our systems, you can use this feature to create one for you.
-  **Identity Management FAQ**
Before calling for support, check out our Identity Management Frequently Asked Questions page for answers to common problems.

- Enter your email address for verification

After filling in the form and then clicking the 'Submit' button, a message should arrive in your inbox from **identityManagement@illinois.gov** containing an encoded link. Clicking that link will bring you back to this site to continue the registration process.

- Follow the instructions on the website and enter the requested information including a valid Illinois Driver's License.

Note: The license will be cross-referenced with the Secretary of State's Office. If the individual's address isn't up-to-date, the system will NOT consider the license valid.

- You will receive an email once your account registration is complete.

Resetting an Illinois.gov Account Password or Unlocking an Account

- To reset an Illinois.gov password, click on the following link:
<https://www2.illinois.gov/sites/doit/support/Pages/DoITIdentityManagement.aspx>

Frequently Asked Questions (FAQ)

What is DoIT Identity Management?

DoIT Identity Management is a self-service account management developed by DoIT that allows users to create an Illinois.gov ID and/or unlock their account/reset a password without speaking to a Customer Service Center (CSC) representative. During enrollment, users will be prompted to answer a series of personal/security questions that are later used to verify identity during the password reset process.

Why do I have to provide personal information when setting up an ID?

Owning an Illinois.gov ID has legal ramifications and it is important to verify the identity of the individual obtaining the ID. Individuals will be prompted to provide personal information required for proper identification.

What happens to the information I provide?

The information provided will be used to validate your identity against various statewide systems. After your identity has been confirmed the following personal information will be stored:

- First Name, Middle Initial, Last name
- Email Address
- Password
- Agency or Company

Do I have to ever change my password?

Passwords are set to expire several times annually. Users will receive an automated email notification prior to password expiration containing password reset instructions. Contact the [Customer Service Center](#) if you require assistance with your password and/or account.

What do I do if the system is unable to verify my Driver's License information with the Illinois Secretary of State?

Verify that the information has been entered accurately and exactly as it appears on your driver's license. Examples: If your driver's license contains only a middle initial or if you have a hyphenated last name, the information must be entered exactly as it appears on your current license. Also check to ensure your license is not expired or suspended. If you have problems during the registration process and are unable to create an ID, an Enterprise Service Request (ESR) will need to be submitted by DoIT support staff.

What if I do not have an Illinois Driver's License?

Individuals who do not have an Illinois Driver's License are not eligible to register via the automated system. An Enterprise Service Request (ESR) will need to be submitted by DoIT support staff.

What if I'm unable to create an ID through the automated system?

If you are unable to create an ID through the automated system, contact your state entity resource in the State Contact Information section in this user manual on page 2.

As a Facility Administrator, you will be able add campuses and facilities to your designated organization and complete the questionnaire/survey for your facility or facilities.

The next screen (Organization Administration Registration) will have you choose whether your organization is “New” or “Existing”.

Note: The vast majority of the facilities in the State of Illinois have been uploaded to the website. It is recommended that you first select “**Existing Organization**”, and if you can’t find your facility, go back and select “**New Organization**”.

Existing Organization

As stated on the previous page, it is recommended that each individual first checks to see if their facility's ownership information has already uploaded to the Consumer Choice Website.

To do this:

- Click the open circle next to “Existing Organization”
- Then click the “Submit” button

The screenshot shows the top navigation bar with the Illinois Department on Aging logo, the Illinois Ombudsman Resource Center text, and the Illinois Long-Term Care Ombudsman Program logo. Below the navigation bar is a yellow header with 'Home' and 'Instructions' links. The main content area is titled 'Organization Administration Registration' and contains a form with the following elements:

- A label: 'Select if you are registering a New Organization or Existing One' with a red arrow pointing to the radio buttons.
- Two radio button options: 'New Organization' and 'Existing Organization'. The 'Existing Organization' option is selected.
- A blue 'Submit' button, which is circled in red.

At the bottom of the page, there is a footer with the address: 'Illinois Department on Aging One Natural Resources Way, Suite 100 Springfield, IL 62702-1271' and links for 'Aging HOME | Privacy | Contact Us'.

On the “Register Administrator with Existing Ownership” screen (shown below) you will be able to see if your facility’s ownership information has already been uploaded to the Consumer Choice Website.

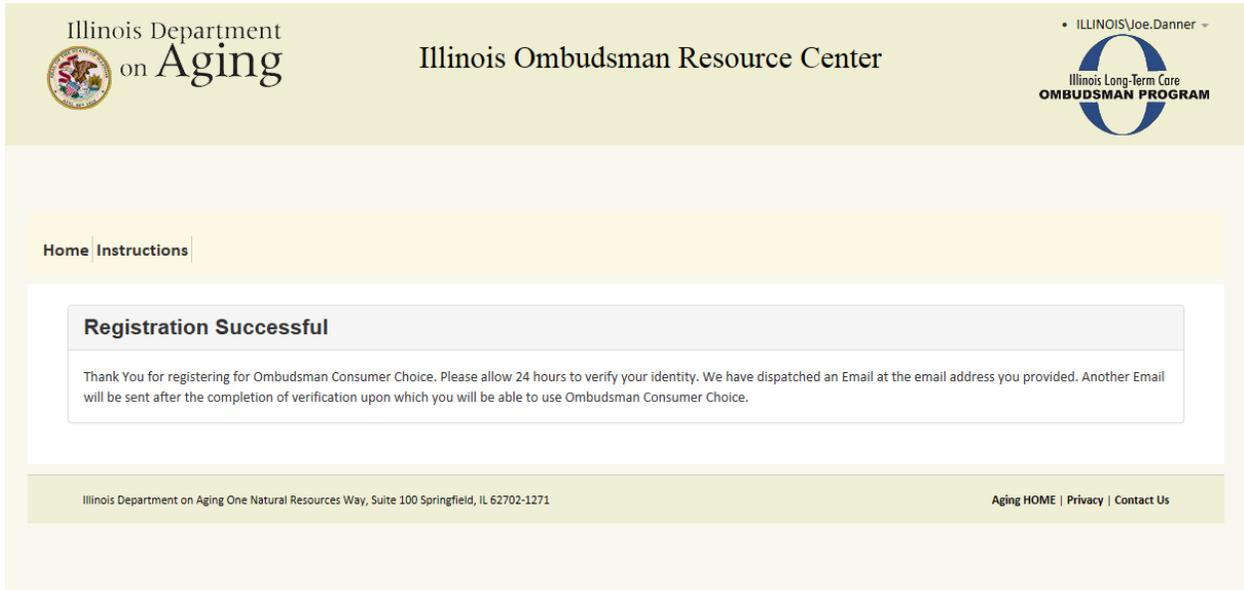

To do this:

- Click the arrow on the right side of the **Ownership Drop Box**
- Select your organization’s name from the alphabetized list in the drop box and then enter the requested information
- Then click the **“Register”** button

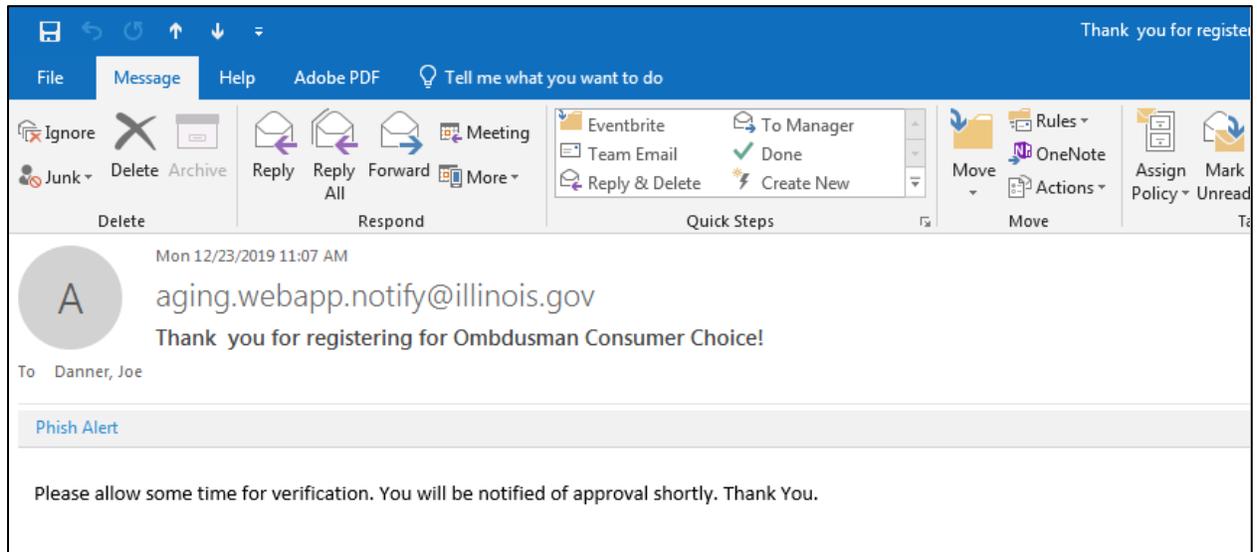

The screenshot shows the 'Organization Administration Registration' page. At the top, there are logos for the Illinois Department on Aging, the Illinois Ombudsman Resource Center, and the Illinois Long-Term Care Ombudsman Program. Below the logos is a navigation bar with 'Home' and 'Instructions'. The main content area is titled 'Organization Administration Registration' and contains a form titled 'Register Administrator with Existing Ownership'. The form has the following fields: 'Role' (pre-filled with 'ORGANIZATIONOwner'), 'Ownership' (a dropdown menu with '--Select--' and a red arrow pointing to it), 'First Name*', 'Last Name*', 'Email*', 'Confirm Email*', and 'Phone*'. A red circle highlights the 'Register' button at the bottom left of the form.

Note: If you DO NOT see your organization’s name in the drop box, please return to the previous screen by clicking the “Back” arrow located in the top left corner of your web-browser window and select “New Organization”. Instructions for registering a “New Organization” are on page 12.

After selecting your organization’s name, entering the requested information, and clicking the “Register” button you will see a confirmation message on your screen.

Along with this message, the following message will be sent to the email address you previously provided:

You will receive another email after the verification process has been completed. At that time, you will be able to fully use the Consumer Choice website and complete your facility’s questionnaire/survey.

New Organization

If your organization's name IS NOT on the Existing Organization alphabetized list, you will need to register as a "New Organization".

To do this:

- Click the open circle next to "New Organization"
- Then click the "Submit" button

The screenshot shows the top navigation bar with the Illinois Department on Aging logo, the text "Illinois Ombudsman Resource Center", and the Illinois Long-Term Care Ombudsman Program logo. Below the navigation bar is a yellow header with "Home" and "Instructions" links. The main content area is titled "Organization Administration Registration" and contains a form with the text "Select if you are registering a New Organization or Existing One" followed by two radio button options: "New Organization" and "Existing Organization". A red arrow points to the "New Organization" radio button. Below the radio buttons is a blue "Submit" button, which is circled in red. The footer contains the address "Illinois Department on Aging One Natural Resources Way, Suite 100 Springfield, IL 62702-1271" and links for "Aging HOME | Privacy | Contact Us".

After clicking “Submit”, you will need to enter the ownership, contact and address information for your new organization.

- Input the requested information
- All the required boxes are marked with “*”
- Then click “**Register**”

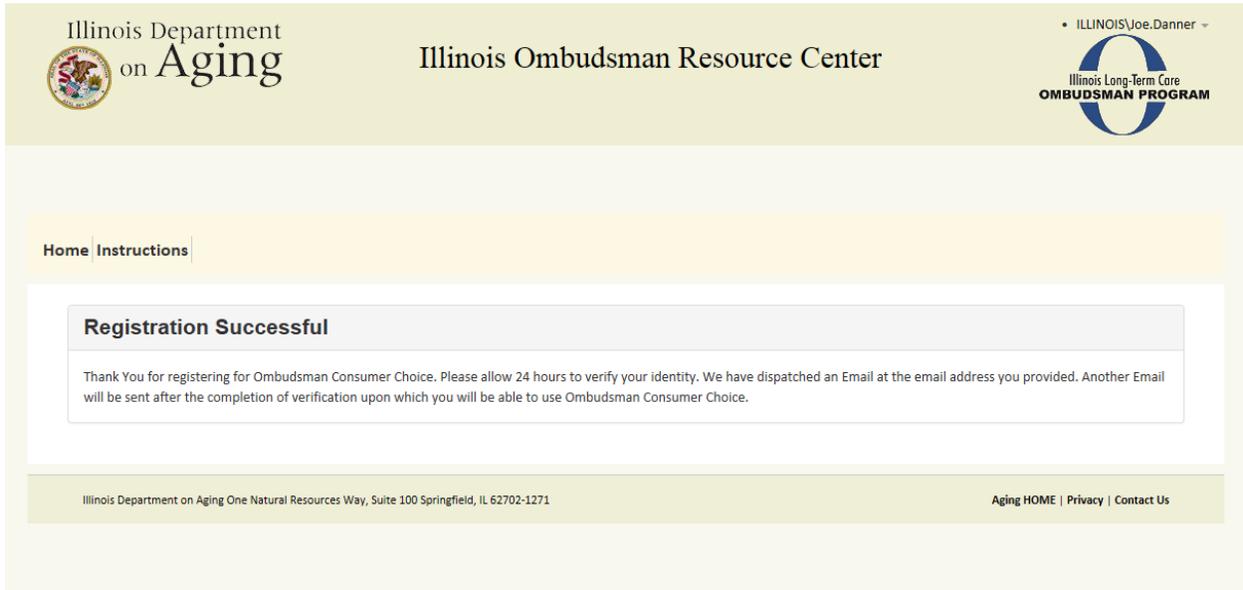

The screenshot shows a web form titled "Register a New Organization" on the Illinois Ombudsman Resource Center. The form is set against a light green header with the Illinois Department on Aging logo and the text "ILLINOIS Joe Danner" and "Illinois Long-Term Care OMBUDSMAN PROGRAM".

The form sections are:

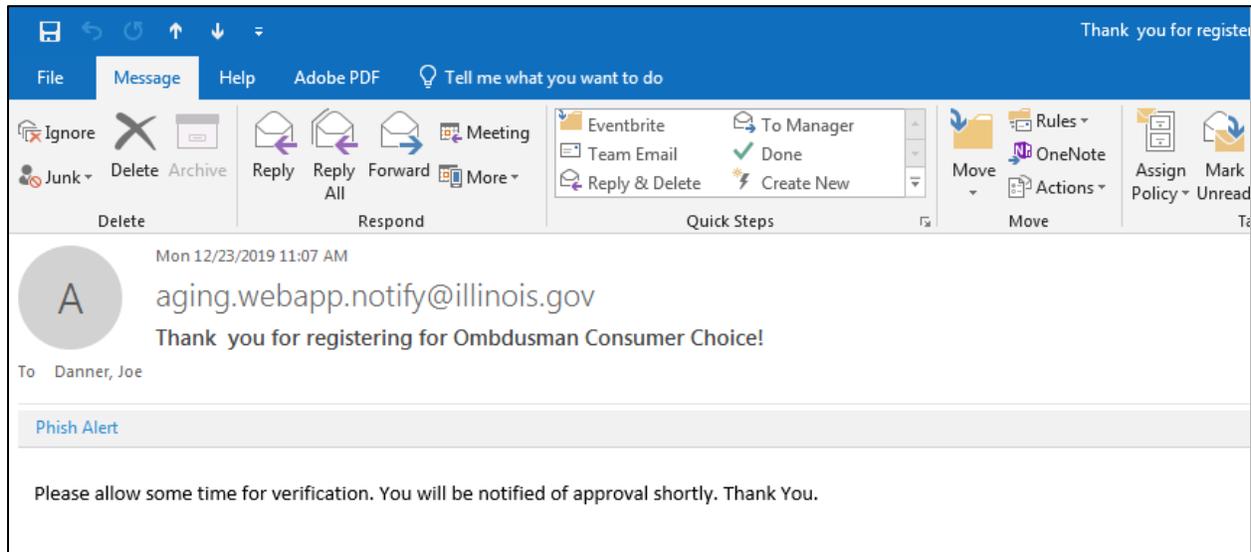

- Role:** A dropdown menu is set to "ORGANIZATION Owner".
- Personal Information:** Fields for "First Name*", "Last Name*", "Email*", "Confirm Email*", and "Phone*".
- Ownership:** A field for "Legal Name*".
- Contact:** Fields for "First Name*", "Last Name*", "Email*", and "Phone*".
- Address:** Fields for "Street 1*", "Street 2", "City*", "State*", "Zip*", and "ZipPlus4".

A blue "Register" button is located at the bottom left of the form, circled in red.

After entering your organization’s information and clicking the “Register” button you will see a confirmation message on your screen.

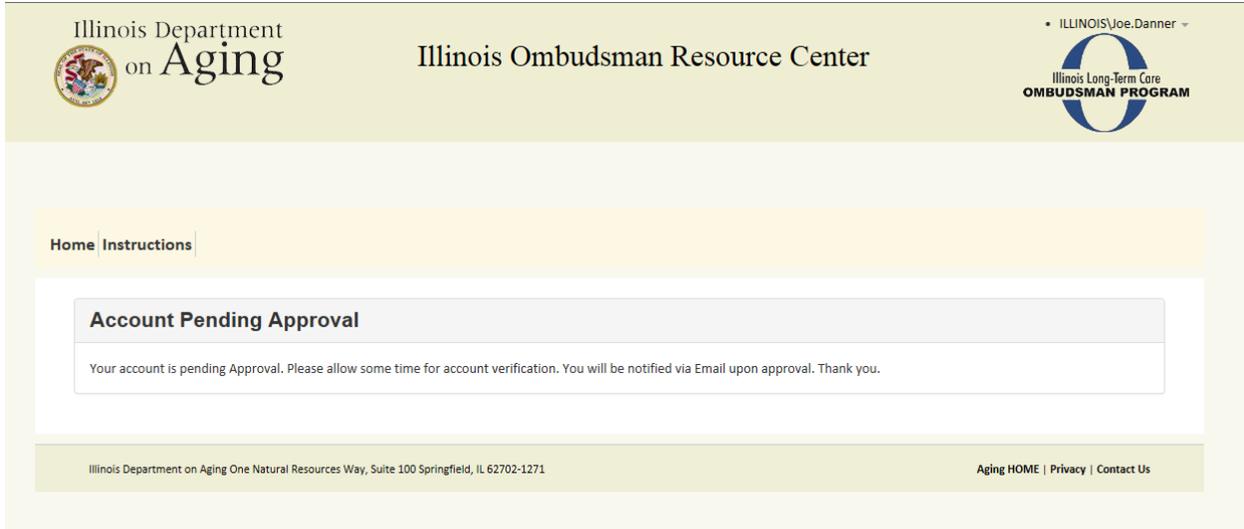

Along with this message, the following message will be sent to the email address you previously provided:

You will receive another email after the verification process has been completed. At that time, you will be able to fully use the Consumer Choice website and complete your facility’s questionnaire/survey.

Account Pending

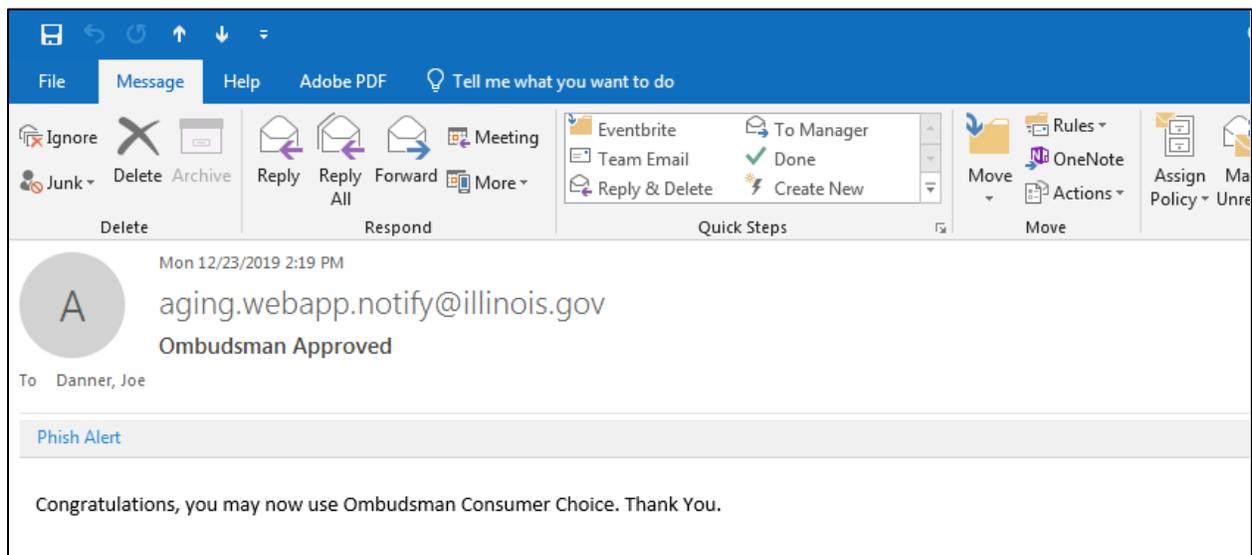

If you attempt to access the Consumer Choice website prior to being approved, you will receive the following message:

Please allow at least 24 hours for verification after successfully registering, but if you have not received an Approval Email and feel there may be an issue with your account, please email aging.sltcoprogram@illinois.gov stating the organization's name, your contact info and registration date.

Approval Email

Once you are approved to access the Consumer Choice Website, the following email will be sent to the address you previously provided.
